Always On-board Services **Premier Video Support Services**

You've already worked with Jared as a client or student. You're well along the Business Video Path, but sometimes you need a bit of additional guidance. There are many details involved with producing clean, crisp and engaging video. **Examples of guidance needed:**

Jared, I'm ready to start my Video Podcast. What should I do first?

The Touch-Point Videos we produced worked great. I'm ready to self produce. Help me

Jared, I need some additional presentation guidance to get my fine edge back.

My cousin just left after 2 weeks. Help, I need a Zoom to put my studio back together.

It's time to produce my Hybrid, On-line course. Please help me outline and organize it.

Jared, I need a new a fresh direction with my videos. Can we please brainstorm this?

Through this service, Jared will always be there to guide you successfully along YOUR business video path. Just schedule your Zoom, phone, or in-person call on his Calendly page. Yes, you can text or call for the "occasional emergency" but please do so during business hours.
